**Subject:** Pavillion Phase V ADQ on CLP data

Rick-

Holly and I are wrapping up the ADQ on the Phase V CLP data. The only item identified is that the lab needs to reissue the duplicate results with corrected Control Limits. Holly has been in contact with appropriate persons to get this done.

Once you have updated your spreadsheet per the email Holly sent on Aug. 7, please send it to us so we can finish the ADQ.

Thanks,

Steve Vandegrift, QA Manager
